*Dear Friends and Clients,*

Hi. This is Graham Counihan, owner, and Nathan Counihan, general manager of Graham's Auto and Truck Clinic. We're writing to tell you about one of our programs at Graham's Auto and Truck Clinic.

We call it the Car Care Club Card. Some of our best clients have told us through conversations at the front counter or just talking on the phone, that they really like our free oil change program but they don't like keeping track of the amount of oil changes they have so they can get their free oil change. Other clients said that they would like to get other discounts, which they could use throughout the year.

So with this in mind, we'd like to introduce you to our Car Care Club Card. With this card you can receive discounts on services other than just maintenance items, which are needed to keep your car running at its best.

Here's what you receive when you become a member of the Car Care Club!
